## DILMAH TEA MENU

---

### **Brilliant Breakfast Tea**

A bright, brisk & bold tea. Intense & Majestic, this tea offers body, strength, colour & pungency representing the essence of a fine Ceylon tea. Grown in the Dimbula Valley, the broken Orange Pekoe leaf yields a burgundy coloured brew which is robust and strong yet bright with an energetic personality

### **Decaffeinated Breakfast**

#### **Earl Grey**

#### **Pure Peppermint Leaves**

The natural Peppermint oil in the leaves imparts a menthol fragrance & flavour in a Gentle Beverage. Peppermint with a touch of honey is a delicious palate cleanser

#### **Pure Chamomile Flowers**

A mildly herbal taste is complemented by hints of green apple and fragrant and lightly sweet finish.

### **Imperial China Natural Jasmine Green Tea**

#### **Rose with French Vanilla**

A seductive tea, combining a fine Single Region Pekoe from the Nuwara Eliya region with the sensuous and almost mystical one of the most pleasing of flavours. This gentle tea is encircled by the soft and slightly sweet aroma of red rose. The Rose fragrance is tinged with French Vanilla

### **Imboolpittia Estate Silver Tips**

#### **Mango & Strawberry**

#### **Blueberry & Pomegranate**

#### **Ceylon Spice Chai**

#### **Italian Almond**

A malty, mid-elevation Ceylon Gourmet tea in a delightful combination with mildly bittersweet, aromatic flavour of Italian Almond. A medium bodied flavoured black tea with a wonderful fragrance & slightly sweet finish.

#### **Rose, Marzipan & Mint**

A bright & elegant Ceylon Western Pekoe from the Dimbula Valley. The sensuous rose offers a floral note whilst a nutty Marzipan and Mint complete the tea. This handpicked Ceylon Single Region tea gently complements the trio of flavours in an aromatic Christmas tea.

#### **Nuwara Eliya Pekoe**

This is a light tea, prized for its gentleness. It demands respect in its preparation and yields hints of pear, honey and a lightly herbal embrace

#### **Natural Ceylon Ginger Tea**

The Spice 'hotness' of ginger partners beautifully with a Ceylon Single Region Tea grown at an elevation of 5,000 feet, to offer a deliciously different and refreshing tea.
